Discover the **DEFINITION OF POWER**

Redefine luxury with DENZA D9, a revolutionary all-electric seven-seater MPV engineered for superior performance. Its cutting-edge power system features an eight-in-one electric motor and a safety-optimised Blade Battery that work in harmony to deliver an unmatched electric driving experience.

Available in both front-wheel-drive and all-wheel-drive configurations, DENZA D9 offers impressive electric driving ranges up to 520km. With expansive interior space, accompanied by a massage function and an in-car refrigerator, elevate your journey today with DENZA D9.

Designed for the **DISCERNING FEW**

Elegant Aesthetic

The DENZA D9's dynamic exterior combines the mathematical precision of π with the fluidity of Motion. The π -Motion front face design employs a minimalist language, exuding an aura of modern elegance. Expansive body proportions blend smoothly with sleek body lines, resembling a meteor streaking across the universe.

Galactic Headlights

Our meteor-inspired headlights feature brilliant flowing light bands that magnify brightness and broaden the driver's field of view.

Panoramic Sunroof

A vast panoramic sunroof fills the cabin with natural light, while the double-layer glass blocks 99% of UV rays.

Iconic Tail Lights

Our star-feather tail lights adopt a refined vertical design, accentuated by the iconic π symbol to enhance the visual impact.

Sophisticated Shades

Take your pick from four stunning shades inspired by nature's magnificence.

Whale Sea Blue

Arctic White

Cosmos Black

Starry Night Grey

Driven by DETAILED SAFETY FEATURES

Intelligent Body Control System

The DiSus-C smart damping body control system maintains the vehicle's agility, whether during high-speed cornering or full-throttle acceleration, ensuring comfort for the driver and all passengers in most driving scenarios.

Complete Protection

With airbags strategically positioned in the front, middle, and third rows — including side curtain airbags spanning all three rows and a central airbag — the DENZA D9 places the utmost emphasis on safety, providing the assurance and peace of mind to relax and enjoy the journey.

Uncompromised Safety

High-strength steel plates, making up to 75% of the vehicle, are used throughout. The double anti-collision beam design, aluminium alloy main anti-collision beam, thermoformed rear anti-collision beam, four-door safety bars, and composite body structure ensure maximum protection for everyone.

Dedicated to **DISTINCTIVE PRESTIGE**

Opulent Captain Seats

The DENZA D9's captain seats encompass an electric slide rail, creating an exceptionally spacious interior. The ergonomic, zero-gravity seats are crafted from the finest leather and come equipped with ten-way electric adjustment, six-way adjustable sleeping headrests, electric leg rests, and wide-angle backrest adjustment.

Indulge in a restorative massage for the ultimate luxury on the road.

Customise entertainment and seat settings from personal LCD control panels.

Comfortable Third Row

The width of the third-row corridor platform reaches 170mm, offering generous legroom up to 1040mm. Ample elbow and head space redefine MPV rear seat standards. ISOFIX mounting is available, with the capacity to install up to four child safety seats in the middle and rear rows.

Versatile Trunk

The enormous 410L to 570L trunk can accommodate any lifestyle needs. With enough room to fit a large air bed, the DENZA D9 takes luxury road trips to the next level.

Integrated Fridge

The middle row features a smart beverage cabinet with a heating and cooling box, an electric tray, and cup holders. The heating and cooling box supports cloud control and includes a forgotten item reminder.

Immersive Acoustics

The DENZA D9 is equipped with 14 Dynaudio speakers and 7.1-channel surround sound technology. Custom-tuned by Dynaudio's chief tuner Bjarke, it creates a concert-like auditory experience.

Natural Grandeur

Choose between two earth-toned interior colours, adorned with real white oak trims.
